

**Mt. Pleasant's**  
**PEAK**  
Partners Empowering All Kids  
**UPDATE**

HAY-YA! OYE! HOO-WAH! These are the shouts you'll hear from PEAK students this spring as they go through introductory sessions to the self-defense art of Tae-kwon-do.

The students really seem to enjoy the shouting as much as the movements," said Chuck Marckel, PEAK Site Coordinator for Fancher and McGuire Elementary Schools.

PEAK partnered with the Mt. Pleasant Taekwondo School to expose students to a form of martial arts focusing heavily on self-discipline. PEAK enhances students' global understanding through cultural education. Many students also explored Asian cultures through food, arts and crafts and language learning.

With opportunities like this, what student shouldn't participate in PEAK? If you know of a

child or have a child who would like to participate in PEAK, but cannot afford tuition, please call the Parks and Recreation office at 779-5331. Scholarships for after-school and summer PEAK are available. PEAK will do all it can to accommodate all children wanting to participate.

Summer PEAK is just around the corner! From June 26 – Aug. 4 (excluding July 3 and 4), PEAK will hold its Super Summer program at Ganiard, McGuire, Rosebush and Vowles Elementary Schools for students grades K-6 as of the 2005-2006 school year. Registration forms are available online at [www.peakafterschool.org](http://www.peakafterschool.org), at each PEAK site and at Mt. Pleasant Parks and Recreation.

**SAVE THE DATE!**
