

PEAK After School 2008/2009 School Year

PEAK, Partners Empowering All Kids, is designed to provide all school age children with educational, enrichment, and recreational activities in a fun and safe environment by keeping schools open until 6:00 p.m. on school days and turning schools into community centers for kids during the summer months. PEAK began as a 21st Century Community Learning Centers program funded by the U.S. Department of Education. Today, the PEAK doors remain open through community support, nominal tuition and financial assistance from the Saginaw Chippewa Indian Tribe. PEAK is administered by the City of Mt. Pleasant Recreation Department in partnership with Mt. Pleasant Public Schools and in collaboration with a number of local agencies.

First day of PEAK for 1st - 6th grades: September 3rd.
